Registration for FOHCOL members

2011 marks the **16th Annual Conference**
for **Housing Co-operatives** in Western Australia

“Building New Co-ops”

Creating New Opportunities into 2012

(2012 is the International Year of Co-operatives)

Dear members:- This year's conference is happening on November 13 (Sunday)

from 10 am through to 9pm at Piney Lakes Eco Education Centre, Leach Hwy, Winthrop (near Murdoch Drive).

Please read this registration form and fill it in as much as you can. Changes can be made by contacting FOHCOL.

The conference is AGM time as well as an opportunity to relax and converse with fellow co-ops in a lovely environment.

All co-ops share the cost proportionally. This year's theme is drawn from FOHCOL's renewed passion to build new co-ops, to encourage the community to embrace the co-op principles (look them up on-line- they're for everyone working co-operatively) and to get as many people as possible involved in creating new opportunities for affordable housing in WA through the empowering self-management model of co-ops.

2011 FOHCOL AGM (nominations form on next page—please return whole page to FOHCOL)
